Allowable Subject Matter

1. Claims 2-8,11,13-21 are allowed.
2. The examiner's statement of reasons for allowance regarding claim 4 was given previously. Regarding the remaining claims, the prior art does not teach or suggest a vehicle mirror apparatus including the housing-base fixing unit which fixes the mirror housing to the base *as present in the combination of either claim 13 or 14*. It should be noted that, since it lacks literal antecedent basis in the specification, "housing-base fixing unit" is being construed as encompassing components such as those noted in applicant's remarks on pages 8-9 or as shown, for example, in fig. 12. Although Hoek of record shows the housing and base attached to each other, Hoek does not show the particular housing-base fixing unit arranged to *fix* the housing to the base as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Robinson whose telephone number is (571) 272-2319.
